

Detail Technician -

Jersey Shore Boat and Yacht Services LLC is looking for a candidate to join our rapidly expanding team. Our detailing technicians will work in teams to service client's boats.

Requirements:

- Have a working knowledge of detailing processes (Buffing, polishing, compound, wet sanding)
- Detailing experience necessary, marine not required
- Being able to operate buffing tools proficiently
- Being able to work efficiently in a team environment
- Must be detail oriented
- Personable with customers
- Must be reliable and organized
- Valid NJ Driver's License
- Comfortable on ladders and with heights
- Flexible with scheduling

Job Detail:

Detailing Techs will be responsible for:

- Boat washes
- Complete Marine Detailing services
- Bottom Painting
- Power Washing
- Interior detailing and more

For the past 9 years we have been servicing clients up and down the Jersey Shore. Every employee has direct connection to the owners, who are very employee oriented. Starting pay determined by experience. We look forward to meeting you.
